Appendix C –School Boundary Review Committee

1. The School Boundary Review Committee (SBRC) supports the Standard School Boundary Review process by:

   Providing local insight and considerations to inform the review.
   Acting as a communication bridge between school communities and Board staff; and
   Conducting functional analysis of technical recommendations.

2. Alternative options or scenarios proposed by the SBRC should align with the following functional considerations:

   - Active transportation, neighbourhood connectivity, and student accessibility.
   - Availability of before- and after-school programs, as well as other community programs.
   - Perceived impacts on programming accessibility or availability.
   - Unique community characteristics or specialized needs.
   - Recent changes to the community.
   - On-the-ground limitations, such as building or facility constraints, room availability and resourcing considerations; and
   - Overall practicality, boundaries should follow logical and easily identifiable routes and/or physical landforms where possible, such as major roads, rail-lines, watercourses, parklands, ravines, and established political boundaries.

3. The School Boundary Review Committee will include:

   - One member of School Council from each school participating in the review.
   - One Principal, Vice Principal or designate from each school participating in the review.
   - One Superintendent of Education responsible for the participating schools; and
   - One Superintendent of Business or Designate.
   - Planning board staff or designate as resource

4. The Chair of the SBRC will be the Superintendent of Business or designate.
