APPENDIX I – Alpine Skiing/Snowboarding Form

School: _____ is arranging an excursion for students to go to _____ to ski/snowboard.

(Name of Snow Resort)

This signed form is required for all students who wish to participate in this Outdoor Recreation and Ski/Snowboarding Excursion.

Inherent Risk:
Skiing/snowboarding is a sport with physical demands and inherent risks which are beyond the control of the snow resort. Falls, collisions, and other incidents may occur and cause injury. Skiers/snowboarders must assume the risks and dangers.

Equipment:
The snow resort will provide rental equipment. Bindings on equipment reduce the risk of injury when falling. They will not release under all circumstances, and they do not guarantee safety in all cases. Helmets must be worn by all participants during Alpine excursions.

Alpine Responsibility Code:
The Ontario Snow Resorts Association, in collaboration with Ontario School Board Insurance Exchange (OSBIE), has produced an Alpine Responsibility Code which Snow Resorts require that students know and obey.
Skiers/snowboards must always ski/snowboard in control.

The Snow Resort may revoke a ski ticket for violation of the code or other unacceptable conduct.
